

Dr. Burgess Weekly Video Address August 28, 2015
“Denco 9-1-1”

Hello this is your Congressman, Michael Burgess. I’m actually speaking to you today from the Denco 9-1-1 event, its 25st anniversary of the advent of 911 service in our area.

Kind of an important date and as we get ready to go into the Labor Day weekend and families are finishing vacations, it’s not a bad idea to remember what to do in an emergency. We’re very fortunate to have the 9-1-1 system, to be able to call.

When I first entered practice here in Lewisville, we didn’t have the system. It works, and it works well now as part of the “know who to call” responsibility that every citizen has, in this area, to protect yourselves and your family in the event of an emergency.

I hope you have a safe and happy Labor Day. I certainly look forward to visiting with you again.

For information on this and other issues, please visit my website at burgess.house.gov.

May God bless you and your families, and as always, may God bless Texas.
